# Moss and Fern brand pack

Moss and Fern is a plant shop in the city. We sell houseplants, pots and advice to people with small flats and busy weeks.

## How we sound

Warm, green, patient. Short lines. Talk to one person, not a crowd. Never sound like a garden centre catalogue.

## Words we never use

Cheap. Guaranteed. Unkillable. Maintenance-free. Any promise that a plant cannot die.

## Colours

Fern (#2f6b4f) is our ground. Clay (#c97b4a) is our warmth. Chalk (#f4f1ea) is our light.

## Product facts

Pots ship in 3 days. Every plant comes with a one-page care card. Returns within 14 days if the plant arrives damaged.
